BLOWING DUST CONTROL PLAN

To comply with §92.12 of the Hermiston Code of Ordinances [relating to the control of dust] during all phases of construction the following information is needed:

Name and **phone number** of contact person who will be available 24 hours per day, seven days per week. This person will be responsible to check the site on weekends and holidays and have the ability and means to take corrective action when needed. An alternate person(s) may be listed.

Once notice of blowing dust is given to the contact person, action is required immediately. If no response or action is taken within 4 hours of being notified, the city may initiate such efforts as it deems reasonable to suppress the blowing dust. The costs* incurred by the city for dust suppression efforts shall be borne by the owner, developer, and the other persons responsible for the land disturbance activity on the site.

If contact person should change, notice in writing is required within 24 hrs.
